

FRIDAY MORNING, OCTOBER, 22, 1841.

WRITING ON NEWSPAPERS.

We are pursuaded that much misapprehenpackages that pass through the post office are composed of single newspapers, enclosed by individuals, and addressed to friends abroad; and it is found on investigation that a majority of these enclosures are only a substitute for letters, and resorted to avoid the payment of postage. These endorsements over the whole range of corresponding colories, the same in the case of males, " and superior of the same in the case of males," and superior of the same in the case of males, and the surrounding examers, the large and that the case admitted of, but to no the payment of postage. These endorses ments cover the whole range of corresponding colories, the large and the surrounding examers, the surfament of the surrounding examers, the surrounding examers, the surfament of the surrounding examers, the surfament of the surrounding examers, the surfament of the surrounding examers, the surrounding exa Post Master at this place, accompanying a could best appreciate his many virtues. newspaper package received at this office a short time since, covering three letters liable to postage, and on which there was an allusion to a previous similar fraud.

Post Office Department - Appointment Office, Washington, Aug. 30, 1941. To H. E. STACY, Esq. P. M.
ECHLISOTON, VT.
Six-The Post Master General has submitted your

favor to him of the 21th inst., covering a newspaper his full assent to the views you take of a most vexahis full assent to the views you take of a most vexa-tious subject. From the numerous representations to the Department with reference to enclosures within, consideration of the Legislature. The imand unauthorised communications through the medi-um of, newspapers, no doubt remains of the very great portant subject of domestic industry is dwelt heard of an old bachelor's sending the prinextent of the practice; and the uniform language of upon at some length, and presented in a ter a bottle of wine, or a wedding loaf?the Post Masters leaves as little doubt of the abuse strong and convincing light. and censure they often receive for an honest and fair attempt to perform their duty by incisting on the penalty. A more uptillustration of the nature and Court took place on Tuesday, and the old than is furnished by the neswspaper received from ventions were to be held yesterday. you, which enclosed one scaled letter, and two other folded but unscaled papers, each chargeable with letter

Many of these attempts to evade the law may have their origin in an ignorance of its provisions-and

part of the officers charged with that duty, in detect- more true to itself, although great apathy ing, exposing and asking to punish those who thus was evinced in the canvass, and they have !! endeasor to relieve themselves from the payment of a legal and proper charge for services rendered, by theating the honest postage payers out of an equal lature by electing a majority of members amount

Post Musters act in this particular, under the sanction of the same outh, and the same price, ples of moral lieved, that, disregarding the unreasonable and selfish reproaches to which they may subject diemselves, their steady perseverance in compelling obedience to the laws, will secure the apprehation, not of this Department only, but of all right minded and good cities. House was whigh last year.

IARE NOTICE is hereby given that I have given my full returns do not give a loco majority in both branches of the legislature. The House was whigh last year. I am very respectfully,

Your ob't serv't. PH. C. FULLER, 2d A. P. M. General.

viduals :

In wrappers of an new spapers, phamphiets, and magazines, received for delivery, should be taken oil.

Fracids are very often attempted, by concealing letters or memoranda in these articles. A wrapper farms no part of the paper or paniphies; neither is postage paid on it, and it is us much the duty of Postmusters to take the wrappers from transient papers and examine them myelves are served.

Our paper of last week. It was proved begand our paper of last week. It was proved begand on the shadow of a doubt that M'Leod was not on board the Caroline; nor was he in the neighborhood of the affair at the paper of paniphies, converted with all the substantial functives of the server.
